

* FRESHERS FESTIVAL *

What is the Fresher's Festival?

The Fresher's Festival is a week of activities, workshops and parties to welcome new and returning students to the University and help them meet other students.

What are we looking for?

We have a basic 'Fresher's Festival' logo and we are looking for an overall design to incorporate that logo. We need something that can be adapted to all our publicity such as web banners, posters and t-shirts!

So what do you send us?

We would like you to send us a maximum of three pieces of work that best reflect your style. This can be illustration, photography, painting...whatever medium suits you. But remember...your design will be adapted to 2D publicity. Last year's design has been included in this brief as an example.

What do I get?

The chosen designer will get £150 for creating the overall style of the Fresher's Festival 2010. You will also have your name and contact printed on relevant publicity.

When do you need my examples by?

The deadline for your examples is Friday 26th March 2010.

Where do I send it?

All artwork needs to be sent to us as a link, pdf or .jpg(4mb maximum file size, total) Please label your work using your full name. e.g. jackjones.pdf, jackjones2.pdf

Please send samples or link to:

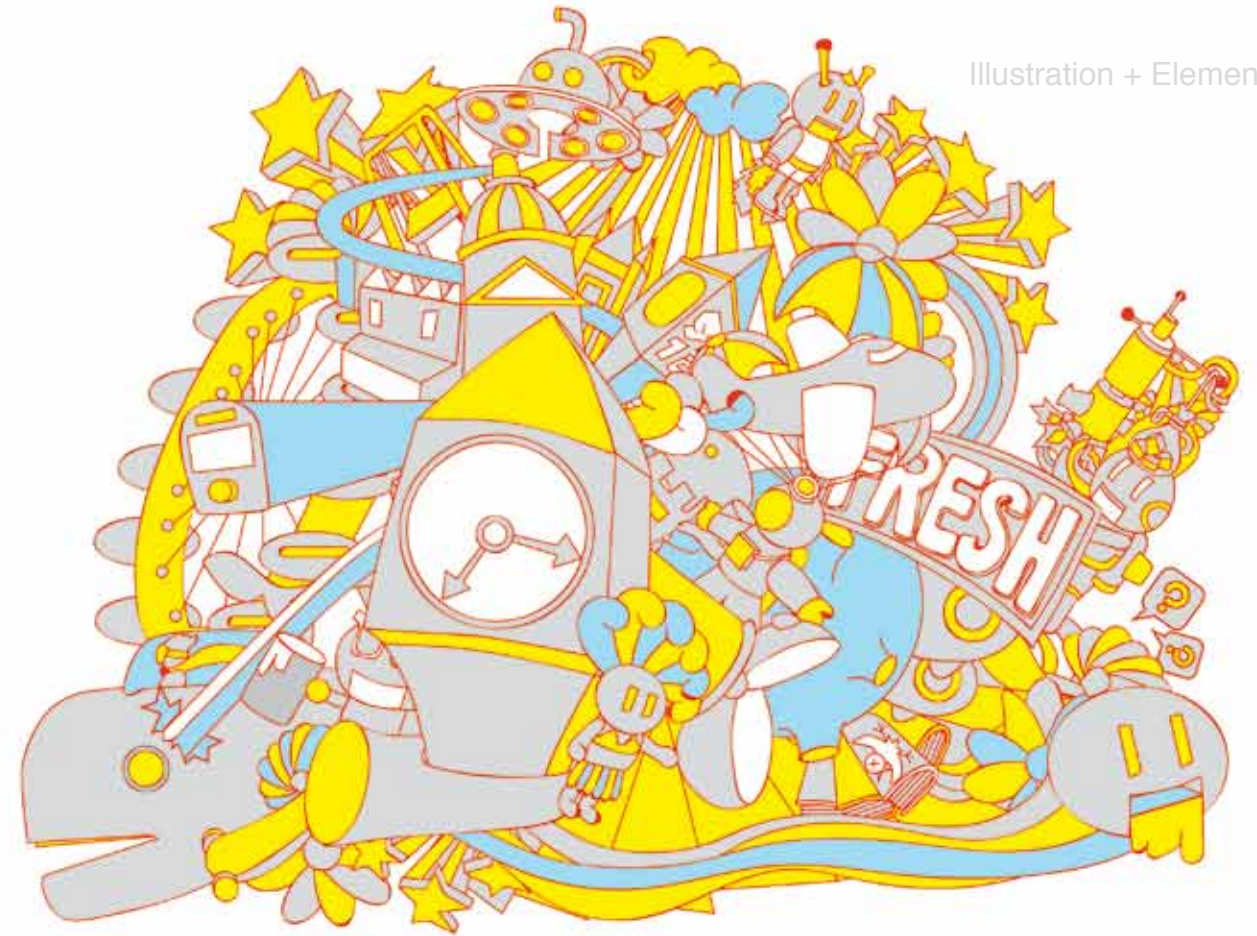

g.devilliers@su.arts.ac.uk

creativeam
we send the brief, you submit the work, if we use it we pay you

Get involved in creative pitches for real paid projects run by the Students' Union. To learn more and sign up to the team please visit our website.
